REGULATION (EU) 2019/1021 on persistent organic pollutants (POP)
Amendments (EU) 2020/784, (EU) 2020/1203, (EU) 2020/1204**

Ladies and Gentlemen,

FoamPartner Group hereby confirms that the threshold values of the substances listed in Annex I of the REGULATION (EU) 2019/1021 on persistent organic pollutants are complied with.

The following amendments of Annex I to Regulation (EU) 2019/1021 are considered:
(EU) 2020/784 (perfluorooctanoic acid (PFOA), its salts and PFOA-related compounds),
(EU) 2020/1203 (perfluorooctane sulfonic acid (PFOS) and its derivatives), and
(EU) 2020/1204 (dicofol).

We would like to point out that FoamPartner Group cannot provide any guarantee regarding impurities or contamination of raw materials or downstream processes beyond its control.

This declaration ceases to be valid with introduction of a new declaration which can be found on www.foampartner.com.

Do you have any further questions regarding REACH? You can always contact us at reach@foampartner.com.

Sincerely,

Dr. Jens Hasenjäger
