Declaration of conformity RoHS2: EU Directives 2011/65/EU, (EU)2015/863, (EU)2016/1029

Ladies and Gentlemen,

Directive 2011/65/EU restricts the use of certain hazardous substances in electrical and electronic equipment (RoHS2). Annex II of the Directive has been amended by EU Regulation 2015/863 and Annex IV by EU Regulation 2016/1029.

FoamPartner Group deliberately does not use any of these substances in the manufacture and processing of its products and hereby confirms compliance with the currently applicable RoHS directive.

Finally, we would like to point out that FoamPartner Group cannot provide any guarantee regarding impurities or contamination of raw materials or downstream processes beyond its control.

We are always happy to answer your questions or provide further information.

Sincerely,

Dr. Jens Hasenjäger
Head of Global SHEQ
